

What the Business People Say

We can have a real, measurable and positive impact on the biodiversity of the World.
BP

Promotion of Biodiversity can offer business and the environment a win win situation.

Scottish Business and Biodiversity Group

The encouragement of biodiversity at our sites is something which is always very high on our agenda.

Guinness UDV

There are real benefits for participating companies from staff development through to improved operational management.

Scottish Enterprise Grampian

We are reducing maintenance costs by encouraging the return of heathers.

Newmachar Golf Club

Local wildlife has expanded fivefold at least.

Mackies

Staff were fascinated at the arrival of waxwings to feed off the berries in the hedging.

Schlumberger

We want to encourage the public, and especially children, to take an interest in nature and wildlife.

Royal Lochnagar Distillery
