NESBiP Update - August 2024

I hope you have been having a lovely August so far. I've been noticing more hoverflies and a variety of beautiful flowers blooming the last couple of weeks. It's nice to finally have some warmer days!

Feel free to share this newsletter with your colleagues and there are a few steps to take to ensure these emails are being delivered.

- Regularly open and click links in emails you receive from NESBiP. This tells your inbox, that I am a domain you trust.
- Check your SPAM/Junk folder and move the email back to inbox. This tells your inbox where to put us in the future.

Happy reading,

Abbie Ferrar

NESBiP Biodiversity Coordinator

Date: Wednesday 25th September

Time: 19:00 - 20:00

Location: Zoom

Topic: How to help pollinators and wildflowers

More information to follow.

Moray Council partner with Wild Things!

Wild Things! is an environmental education charity based in Moray and have recently partnered with Moray Council to undertake conservation work in and around Elgin.

They hold a number of volunteering days, environmental education events and conservation days throughout the year.

Easter Beltie Burn - Wildflower Gateway

The Easter Beltie Restoration project returned a straightened agricultural stream to a natural meandering course, to improve habitats for nature and boost climate resilience.

Phase 2 has been underway since planting native wildflowers in April.
